My Arcade Retro Machine Gaming System with 200 Games (DG-2577)

Cost 32.00\$
MSRP 49.95\$

Product Description

Capture the magic of bygone video game arcades with Retro Machine — the portable, lightweight gaming system that brings all of the excitement & thrills of real video game action right into the palm of your hand! Remember those days waiting in line for your favorite video game console at the local arcade? With Retro Machine, you can carry the entire arcade in your briefcase, backpack, or purse! Bring Retro Machine along during road trips and give your kids a 200-game library at their fingertips. The selection is enormous and the gameplay goes on & on — truly a great buy for non-stop video game entertainment.

Play-by-Play Action Just Like at the Arcade

Retro Machine features a realistic 4-way joystick for quick maneuverability plus A & B buttons for jumping, hopping, climbing ladders, dropping bombs, steering vehicles, etc. depending upon your game. Other buttons include: START for starting/pausing games; RESET resets the game and brings you back to the main menu; VOLUME provides 4 levels of sound from a built-in rear speaker.

The My Arcade® Retro Machine gaming system comes with 200 built-in games and requires no expensive game console. The Retro Machine is lightweight and easily fits on the palm of your hand and lets you enjoy hours of fun gaming just about anywhere! Requires 3 "AAA" batteries (not included). Features a 2.5" color display.

Retro Arcade Machine X Gaming System with 300 Games (DG-2593)

Cost 36.00\$
MSRP 54.95\$

Product Description

Step back to a simpler time when the local arcade was king of entertainment. The Retro Arcade Machine X brings back the arcade experience that can be played anywhere. 300 games and a full color LCD screen with controls that mimic original arcade cabinets so you can soar the skies, take out the aliens, or win the race - all from the palm of your hands!

Play-by-Play Action Just Like at the Arcade
